<u>Our Vision:</u> We are the school of choice for an excellent Catholic faith based education within the Chippewa Falls area. We welcome all families to be a part of our school community no matter their faith or financial means. In partnership with our parents, we form the whole child in support of our values and mission. Our vision of the whole child consists of a lifelong learner, who upon graduation, is academically prepared for post-secondary education and career, grounded in relationship with Jesus Christ, balanced physically and emotionally, and actively engages as servant leaders in family, parish, and civic communities.

<u>Our Mission:</u> Committed to the formation of community, academic excellence and the spiritual and physical well-being of each student in the Spirit of Jesus Christ.
