

Substitute Teachers

For over 130 years, MACS has provided Catholic education to the Chippewa Falls region. It is our faith and our commitment to community that has allowed us to carry on the tradition of excellent accredited Catholic education for approximately 450 students in grades K-12. We also have an Early Childhood Program where discovering, creating, and learning happens every day for the two, three, and four year olds.

Teachers at all levels PreK-12 are welcome to apply to substitute at our three locations in Chippewa Falls.

Substitute teachers need a four-year degree with or without an education degree, complete forms, safe environment and pass background check. We are looking for substitute teachers who will have a commitment to the mission and vision of the McDonnell Area Catholic Schools while in teaching the students.
