**“Carry on bravely!” - St. Zelig Martin**

As members of the body of Christ, our MACS team is working diligently to continue to serve our mission, students, and families during this COVID-19 pandemic. We are the Macks and we will continue to grow in mind, body, spirit, and community by meeting this challenge with grace and courage. The Mack Way!

-----

The Chippewa County Department of Public Health (CCDPH) does not allow us to release specific details as it relates to an identified positive COVID-19 case connected to our school system. This is to protect the privacy rights of the individual who has received a positive test result. We cannot share the positive person’s name, his or her role in our school (i.e. student or staff member), how severe his or her symptoms are, etc. We understand it may be frustrating not to know all of the details of every case, however, we follow the protocol established by CCDPH.

The situation surrounding the COVID-19 pandemic continues to change quickly. All policies, procedures, and information are subject to change based on the advice of our local health department and/or the Diocese of La Crosse. It is important to keep in contact with your school and read all communications.
