**2020-2021
EDUCATION ALLIANCE
CONTRACT**

WHAT IS THE EDUCATION ALLIANCE?

This is an agreement between our parents and administration to fully educate families about the **Total Cost** of educating a student. It is our hope that each family will prayerfully consider making an attempt, as best as possible, to meet the **Total Cost** of their children's education.

DID YOU KNOW?

The **Total Average Cost** for MACS to educate a student in Grade K-8 is \$8,500 and \$11,700 for a student in Grade 9-12. This **Total Cost** is not what you pay for your child's education. It is our firm belief that Catholic education should be affordable and accessible for all families. It is challenging to secure the necessary funds to achieve a balanced budget and maintain the quality of education that you expect for your children. We ask you to consider making a donation to help bridge the "difference" between the **Total Cost** and our MACS Tuition.

*****PLEASE CHOOSE ONE OF THE HIGHLIGHTED OPTIONS BELOW:**

HOW CAN I HELP?

The following are ways to make a **Tax-Deductible Donation** and offset the difference between the **Total Cost** of educating your child at the McDonnell Area Catholic Schools and the MACS tuition.

I will make a donation to the Education Alliance by one of the three choices below:

I will pay the full "difference". This donation, combined with the tuition we pay, will equal the **Total Cost** of our child's education.

	Total Average Cost to Educate	MACS Tuition	= Difference	Number of Children	= Donation Amount
K-8 (Supporting Parish)	\$ 8,500	\$ 2,990	\$ 5,510		
K-8 (Non-Supporting Parish)	\$ 8,500	\$ 4,229	\$ 4,271		
9-12 (Supporting Parish)	\$11,700	\$ 4,250	\$ 7,450		
9-12 (Non-Supporting Parish)	\$11,700	\$ 5,998	\$ 5,702		
Total Donation					

I agree to donate a portion of the "difference" as indicated below.

___ \$150 ___ \$200 ___ \$500 ___ \$750 ___ \$1,000 Other \$ _____
