Education for Life

OUR MISSION

McDonnell Area Catholic Schools is committed to the formation of Community, Academic Excellence and the spiritual and Physical Well-Being of each student in the spirit of Jesus Christ.

OUR VISION

McDonnell Area Catholic Schools is the school of choice for an excellent Catholic faith based education within the Chippewa Falls area. We welcome all families to be a part of our school community no matter their faith or financial means.

In partnership with our parents, McDonnell Area Catholic Schools form the whole child in support of our values and mission. Our vision of the whole child consists of a lifelong learner, who upon graduation, is academically prepared for post-secondary education and career, grounded in relationship with Jesus Christ, balanced physically and emotionally, and actively engages as servant leaders in family, parish, and civic communities.

CORE VALUES

Faith – “Now this is eternal life: that they may know you, the only true God, and Jesus Christ, whom you have sent.” (John 17:3)

Honor – “My Father will honor the one who serves me.” (John 12:26)

Academic Excellence – “What is true, whatever is honorable, whatever is just, whatever is pure, whatever is lovely, whatever is gracious, if there is any excellence, if there is anything worthy of praise, think about these things.” (Phillipians 4:8)

Healthy Living – “Do you not know that your body is a temple of the Holy Spirit, who lives in you and was given to you by God? You are not your own.” (I Corinthians 6:19)

Community – “For just as the body is one and has many members, and all the members of the body, though many, are one body, so it is with Christ.” (I Corinthians 12:12)

Servant Leadership – “The Son of Man has come not to be served, but to serve and to give his life as a ransom for the many.” (Matthew 20:28)

2023-2024 Enrollment Guide

Welcome to enrollment for the new school year.

Since 1881, when Father C.F.X. Goldsmith asked the School Sisters of Notre Dame to come and teach, a new Catholic school was formed. The Catholic parishes of Chippewa Falls and surrounding communities strive to provide students with an authentic Catholic education.

You and your children are part of that continuing history! We look forward to working with you to provide the students with a strong, well-rounded Catholic education. Together, we provide them with the faith, knowledge and skills they will need to live happy, productive lives as faithful adult members of families, parishes and communities wherever they may go in the world.

Supporting Parish Members and the McDonell Area Catholic Schools

The Relationship of Our Parishes and Schools

The McDonell Area Catholic Schools rely on local parish subsidies for roughly 25% of their total budget. This represents tremendous commitment and generosity shared among all parishioners. It is extremely important that families benefiting from their parishes' commitment demonstrate equal commitment to their parish with their time, talent and treasure. In a fundamental and valuable sense, our schools belong to our parishes. The parishes built the schools, hundreds of parishioners are alumni of our schools, and without strong parishes our schools cannot exist.

Supporting Parish Membership & Tuition Assistance

When considering families' eligibility for supporting parish member tuition, the pastors and parishioners of each of our supporting parishes consider each of the following factors in determining whether any given family is currently an active member of their parish. We encourage each family to be able to answer "yes" to the following questions:

- Is this family registered with one of our supporting parishes?
- Does this family keep in communion and participate in Holy Mass?
- Does this family offer their parish their time, talent, and/or treasure, however limited?
- Does this family respond through their parish to the Bishop's Annual Appeal insofar as their means allow?
- Does this family accept the Catholic educational mission of their parish and our school system?

If the family is not accepted into the WPCP a \$100 enrollment fee will then be charged. The fee may be paid online through [PayPal, Debit or Charge Card](#) or by sending a check or cash to any school office attention: Kathleen Adams.

ALL discounts (scrip, scholarships, Guardian Angel Scholarship Fund, and referral discount) will be calculated by the central office before sending out the tuition billing statements in August, 2023.

For questions or information about enrollment and our schools please contact Admissions Coordinator Kathleen Adams at the MACS Central Office, 715-723-0538 or k.adams@macs.k12.wi.us.

Guardian Angel Scholarship Fund Program: (Formally Tuition Assistance & Adopt-A-Student)

We are not a **zero**-tuition school (unless you are enrolled in WI Parental Choice Program); however, we make every effort for families to be able to afford a Catholic education. Our Guardian Angel Scholarship Fund program is a first come first serve basis. Once we reach our budgeted amount allowed by the fund, this program may not be available to your family. **Please apply as early as possible.** All families who wish to qualify for the Guardian Angel Scholarship Program **must** complete the FACTS Grant & Aid Application online at <https://online.factsmgt.com/signin/3FDCZ>. The deadline for current families to do so is **April 29, 2023**.

The Guardian Angel Scholarship Process:

1. Complete the three-part enrollment process.
2. Complete and submit the FACTS Grant & Aid Application online. FACTS will charge a \$35 processing fee. Once your application is complete, FACTS Grant & Aid will submit their results to the McDonell Area Catholic Schools Central Office. Current families should complete the online process by or before **April 29, 2023**.
3. The data from FACTS will be processed by the Central Office and a Scholarship will be awarded based on their analysis. Guardian Angel Scholarship Contracts will be mailed out sometime in May or June.
4. If you accept the amount, then sign and return the Guardian Angel Scholarship contract.
5. If you have questions about the amount of the scholarship awarded based on the analysis from Facts Grant & Aid, please contact the Central Office to set up an appointment to speak with the President.

Tuition Automatic Payment Plan using FACTS:

FACTS is a third-party tuition management company widely employed by Catholic and other private schools. The FACTS program allows you to pay your tuition in timely, manageable installments, while also providing our

school system with reasonable assurance that your tuition will be paid. The system is confidential and secure, and operates like most other automatic withdrawal payment systems. **You can have payments withdrawn from checking, savings or even your credit card (a 2.75% fee applies with credit card use).** Families can now create an account with FACTS to view payments at: <https://online.factsmgt.com/signin/3FDCZ>.

If you currently have a FACTS account and wish to continue, you will automatically be reenrolled at the start date that you choose in the enrollment process. **We are now offering lump sum withdrawals for tuition as well.**

Payment Options:

- Set up an account to make one lump sum tuition payment by August 20, 2023
- Set up an account to make 2 payments, one in August 2022 and the second in March 2023.
- Set up an account to make 10 monthly payments beginning in August 2023.

If you have a FACTS account set up, we can now offer lunch payments and other fees to be deducted from your account either in a lump sum or monthly withdrawals. If interested in setting up this type of withdrawal, please contact Teresa Dachel, Business Manager in the Central Office at 715.723.0538.

Wisconsin Parental Choice Program (WPCP) - Open Enrollment

McDonnell Area Catholic Schools offers the WPCP with the State of Wisconsin at our schools. Each year there is an open enrollment process which coincides with our school's open enrollment. We encourage all families who are income eligible to apply to this program. **All students who are currently in the program will need to re-apply as well.**

1. Open enrollment begins February 1, 2023 through Thursday April 20, 2023 at 4:00 p.m.
2. Income bracket guideline charts can be found on our website ADMISSIONS - WPCP
3. Go to <http://dpi.wi.gov/SMS/choice-programs/student-applications> to apply.
4. Bring in your **signed** and **dated** Federal 1040 tax documents along with proof of residency (**Current** utility bill, W2 or payroll stub) prior to the enrollment process ending so MACS can verify your residency.
5. If you have questions about the enrollment process, please feel free to set up an appointment with the MACS Business Office and we will be happy to walk you through application.

Wisconsin Parental Choice Program (WPCP) - Families with Vouchers

Students who currently are in WPCP will continue until they graduate from our school system. However, you will be required to log into your family account that was created during last year's enrollment and accept your voucher for the 2023-2024 school year. You will then need to bring in a copy of a **current** utility bill, W2 or payroll stub so MACS can re-verify your residency. The website is <http://dpi.wi.gov/SMS/choice-programs/student-applications>. **We also require you to complete online enrollment to update Infinite Campus.**

2023 Wisconsin State Tax Credit-Private School Tuition

In 2013, the State of Wisconsin signed into law Act 20, sec.71.05(6)(b)49, effective for taxable years beginning on or after January 1, 2014. Tuition paying families will qualify for a subtraction from income for tuition paid in the tax year up to a certain dollar amount paid by the claimant. Please ask your tax preparer if you have any additional questions.

2023-2024 Time and Talent Commitment

Fundraising and Volunteering:

Revenues from fundraisers are a major source of income for our schools and its affiliated parent organizations. We organize our fundraising to minimize demands on families' time and pocketbooks. Everyone's participation is needed and appreciated.

Each MACS family is required to perform at least 30 hours of volunteer service to the school system as a condition of enrollment.

Volunteering to work a minimum of 6 hours at our all-school fundraising events, which are the Spaghetti Spectacular and Mid-Winter Mardi Gras, is required for the financial support of our schools.

Using Scrip:

Scrip is our school's biggest fundraiser and we expect all families to make every effort to use our Scrip program on a regular basis. Many local retailers participate in it, and nearly all of the major stores are part of the program. When Scrip gift cards are used, our schools receive a percentage of the proceeds. If you receive tuition assistance, your Scrip purchases are factored into the assistance awarded.

Scrip purchased July 1 through June 30 will be credited to the following school year tuition balance.

We apply half of the scrip rebate toward your family's tuition for the following school year.

The A.B McDonell Vision Fund and the Total Cost to Educate

We invite families, to the extent their means allow, to support the **A.B. McDonell Vision Fund**. The fund is made up of annual gifts from alumni, parents, grandparents, faculty, staff, and friends of MACS. All gifts are unrestricted contributions that allow us to fulfill the vision of A.B. McDonell, the generous benefactor who endowed the original McDonell Memorial High School, to keep tuition affordable. We ask you to consider making a gift to help bridge the "difference" between the **Total Cost** and our MACS Tuition. Please contact Libby Leinenkugel in the central office or visit the **Support MACS** section of our website to make a gift. Thank you!

Total Average Cost to Educate

The **Total Average Cost** to educate a **K-8** student at MACS is \$11,500.

The **Total Average Cost** to educate a **9-12** student at MACS is \$14,800.

FAQ about Gifts to the A.B. McDonell Vision Fund

Will we still be able to receive financial assistance if we make a donation?

This gift will have **no** impact on the financial assistance a family may receive. Financial assistance is our commitment to make Catholic education affordable and accessible. However, it is our hope that every family will consider a commitment to the A.B. McDonell Vision Fund **to the best of their ability**.

Is our donation tax deductible?

Yes! Any gift over the required stated tuition is considered a donation and therefore tax deductible if you itemize. Please check with your accountant to discuss your charitable giving and the positive impact it can have on your tax liability.

If we make a donation to the A.B. McDonell Vision Fund, does the volunteer requirement still apply?

Yes. It is expected that every family will volunteer time and talent to build our MACS community and set a good example of servant leadership to our students. Volunteer opportunities include school activities, building and grounds help, central office support, committee service, fundraising events support, and more. Visit our Volunteer webpage to learn more about all the volunteer opportunities at MACS. Thank you!
