I understand that I am expected:

- to attend a required ambassador orientation.
- to complete/participate in at least four ambassador events.
- to read my emails, and reply when necessary.

I further understand that being a MACS student ambassador means that:

- I represent the McDonell Area Catholic Schools and I will do my best to exemplify our strong Christian values in the classroom, on the athletic field, and in the community.
- I will treat my peers and the school staff with respect at all times, which includes during school hours and after school hours.

I support my son/daughter's plan to be a Student Ambassador for the McDonell Area Catholic Schools. I understand that it will involve my child assisting with/working at MACS special events and community service projects. A separate signed consent form is also required.
